

6TH ANNUAL AUTISM
AWARENESS
CHARITY GOLF CLASSIC

RE: 6th Annual Autism Awareness Charity Golf Classic

Please join us **April 23, 2009**, for the **6th Annual Autism Awareness Charity Golf Classic at Starmount Forest Country Club, co-sponsored by the Wyndham Championship PGA TOUR Event and the Autism Society of North Carolina Guilford County Chapter (ASNC-GC)**. Enjoy a great day of golf while you help raise awareness and money for a great cause! Your organization's participation and sponsorship will help us make this year's event a HUGE success and enable ASNC-GC to continue to reach out and support children with autism in our area!

Autism Spectrum Disorder (ASD) is the third most common developmental disability and affects **1 out of 150 children**. Children with ASD make up the fastest growing segment of the special education population in Guilford County Schools. Through your generosity, ASNC-GC is able to provide a Teacher Grant Program for teachers who work with children with ASD. **ASNC-GC has awarded more than \$54,000 in grants to Guilford County School teachers** through this program. According to Betty Anne Chandler, Executive Director of Exceptional Children for Guilford County School, *"the grants from the Autism Society continue to fill a void in funding for our autistic students. With the proposed decrease in federal dollars for students with disabilities, it is now more important than ever for us to receive support from the community and this organization. Our teachers truly appreciate being able to order needed instructional materials for their classes. Funds are also used to attend professional development activities that will enhance their skill level. We are grateful for the financial assistance of these grants which result in improved educational outcomes for our students."*

As the population of children with ASD grows, so does our need to support them, their families and their teachers. We are writing to you today to ask for your help...

Please join other businesses in sponsoring this charity event. Review the attached form and select your level of sponsorship. In addition to monetary donations, your organization can support this event by donating prizes. Be part of our Autism Awareness Charity Golf Classic as a sponsor, a donor, a golfer—or all three! Thank you in advance for your support and for making a difference for someone with autism!

Sincerely,
